MEDICAL RELEASES

You do NOT need to submit medical releases for check in but you do need to have them with you.

I certify that I am in possession of a medical release form for each rostered player that is signed by the player's parent and/or guardian.

SCORE-KEEPING

I understand that a team official must sign the Game Card after each match to verify the score and disciplinary action. Once the Game Card is signed, I understand that the score and disciplinary record will be considered accurate, final, and will not be changed. Failure to sign the Game Card before leaving the field will also result in the score and disciplinary record to be considered accurate, final and will not be changed.
