

## Professional Aerial Sports Game Recording

### 2017 LITITZ SUMMER SHOWCASE

#### Top Reasons To Have Your Game Recorded:

- Coaches use the video to analyze the games/players and come up with appropriate session plans for the week/month to improve their team and to improve the players that they work with.
- Student athletes use the video to create highlight videos for networking themselves with college programs. (Student Athletes increase their marketability by 5 times when they use a highlight video to market themselves.)
- Student athletes use the video to analyze the games, to come up with ideas for how to improve their team play and to further improve their individual skills.
- Parents enjoy having a keepsake of their student athlete's athletic achievements to cherish.
